

Traffic Engineering Services

9893 Brewers Court
Laurel, MD 20723
Phone: 301-549-1950
Fax: 301-549-1951

PUBLIC NOTICE

Digging and Rigging will be closing two south bound lanes and the sidewalk on Wisconsin Avenue June 10th, June 11th and June 17th. They will be hoisting units to the roof at 1 Bethesda Metro Center and will be diverting pedestrians for their safety. Traffic Engineering Services will help to setup the proper lane closure. The closure will be in place all three days from 9:00AM to 9:00PM and will open up both lanes each night. Should you have any questions please contact Stephanie Kehoe, Project Coordinator at Traffic Engineering Services. Thank you and your cooperation during this project will be greatly appreciated.

Thank you,

A handwritten signature in blue ink, appearing to read 'Steph Kehoe', is written over a faint, larger version of the same signature.
